

Greetings Waconia JO Volleyball Club Members and Potential Club Members,

We hope that this communication finds you all well. We wanted to reach out with some preliminary information related to the upcoming JO Season. We need to stress that this may be one of the most challenging seasons that we have ever had, and we want to start out by asking for your flexibility and understanding if things don't go "according to plan". Given the way this COVID-19 thing is going, there are bound to be last minute changes and updates and we appreciate your understanding and cooperation in advance.

Tryouts

We are scheduling tryouts as follows:

- October 25th – 14 and younger
- November 1st – 15 and older
- Timing and location to be determined. Currently the school district is not renting gym space. We have been made aware that they will be meeting this week to determine if/when they will resume rentals.
- Please note that the JVA has adopted the new age definition announced by USA Volleyball, effective for the 2020-21 season. The date cutoff has been moved from September 1 to July 1.

Club Informational Meeting

Due to the gathering restrictions currently in place due to COVID-19 social distancing recommendations, we will be hosting the club information night via Zoom meetings. The links for these meetings can be found below. If you have multiple players, you only need to attend one meeting. If you are unsure of your player's age grouping (i.e. 12 or 13), choose whichever time slot works best for you.

During these meetings we will go into more detail on tryouts, tournaments/league, club fees and more.
