### Glitter & Glow (5-12 years)

What rules supreme in your child's world? Art projects that glitter or glow-in-the-dark? No need for your child to choose when you sign them up for this art class! We will work with a variety of art supplies including clay, glow-in-the-dark paint, and of course, lots and lots of glitter! The kids will create snow globes that glow-in-the-dark, butterflies that shimmer and glimmer, an Eiffel Tower with stars that twinkle, and so much more. Glitter and glow... here we go!
