

Laketown Elementary Educational Materials Pick Up Plan

At this time we are planning to have two opportunities to “drive by” Laketown to pick up learning materials and other school items. Please stay on high alert, if we are placed in “Shelter At Home” status by the governor, we would move the date and times up. I know the students are excited but please do NOT use any of the instructional material until March 30th as directed by our district. Also, keep items all together in one location so the items can come back to school when we are back in session.

Thank you! Please stay safe and take care of one another. We miss you!
Mr. Navidad

Laketown Curb Side Pick-Up Times for School Materials

Monday March 23rd: 2:00 pm-6:00 pm

Tuesday March 24th: 9:00 am -12:00 pm (noon)

Please refer to the map for pick up locations based on grade.

We are doing the drive by method to keep social distance and everyone safe. We are going to have six “drive by” locations, based on grade. If you have multiple children it will work best if you start with the youngest and work your way up to the oldest.

To prepare for this process: Please take a regular size sheet of printer paper and clearly write the name of your student and teacher. Please do this for every child enrolled at LT. Please have this document on your driver side windshield when you arrive at your designated pick up location. This will expedite our process of gathering your materials. You will be greeted by a staff member or student's teacher who will assist you in getting your child's items into your car. Please do not exit your car, we will bring everything to you.

Thank you

Mr. Navidad
