AGREEMENT

ARTICLE I PURPOSE

Section 1. Parties: THIS AGREEMENT is entered into between the School Board of Independent School District No. 110, Waconia, Minnesota (hereinafter referred to as the School District) and the Waconia Principals' Association (hereinafter referred to as the exclusive representative or Association) pursuant to and in compliance with the Public Employment Labor Relations Act of 1971, as amended, (hereinafter referred to as P.E.L.R.A.) to provide the terms and conditions of employment for principals during the duration of this Agreement.

ARTICLE II RECOGNITION OF EXCLUSIVE REPRESENTATIVE

Section 1. Recognition: In accordance with P.E.L.R.A., the School District recognizes the Waconia Principals' Association as the exclusive representative of principals employed by the School District of Independent School District No. 110, which exclusive representative shall have those rights and duties as prescribed by the P.E.L.R.A., and as described in the provisions of this Agreement.

Section 2. Representation: The exclusive representative shall represent all the principals of the School District as defined in this Agreement and in P.E.L.R.A.

ARTICLE III DEFINITIONS

Section 1. Terms and Conditions of Employment: Terms and conditions of employment means the hours of employment, the compensation therefor including fringe benefits except retirement contributions or benefits, and the employer's personnel policies affecting the working conditions of the employees. In the case of professional employees, the term does not mean educational policies of a school district. The terms in both cases are subject to the provisions of Minn. Stat. § 179A.06 regarding the rights of public employees and the scope of negotiations.

Section 2. Appropriate Unit: The appropriate unit shall consist of all employees of Independent School District No. 110, Waconia, Minnesota, who are certified by the State Department of Education as principals or assistant principals, who are employed for more than fourteen (14) hours per week or 35% of the normal week, whichever is lesser, and for more than one hundred (100) work days per year, and who devote more than 50% of their time to administrative or supervisory duties in the capacity of a principal or assistant principal, and excluding all other employees.

Section 3. School Board or School District: Any reference to School Board or School District in this Agreement shall mean the School Board or its designated officials.

Section 4. Other Terms: Terms not defined in this Agreement shall have meanings as

defined by P.E.L.R.A.

Section 5. Definition of Principal: As used herein, the term Principal means Principal, Vice Principal, Associate Principal, Assistant Principal and as defined by Minnesota law.

ARTICLE IV SCHOOL DISTRICT RIGHTS

Section 1. Inherent Managerial Rights: The parties recognize that the School District is not required to meet and negotiate on matters of inherent managerial policy, which include, but are not limited to, such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure and selection and direction and number of personnel, and that all management rights and management functions not expressly delegated in this Agreement are reserved to the School District. This section shall not be construed to limit the right of the Association to meet and confer with the School District pursuant to P.E.L.R.A., regarding policies and matters not included under terms and conditions of employment.

Section 2. Management Responsibilities: The parties recognize the right and obligation of the School District to efficiently manage and conduct the operation of the School District within its legal limitations and with its primary obligation to provide educational opportunity for the students of the School District.

Section 3. Effect of Laws, Rules and Regulations: The Association recognizes that employees covered by this Agreement shall perform the services prescribed by the School District and shall be governed by federal laws, the laws of the State of Minnesota, rules and regulations of the State Board of Education, and by reasonable board rules, regulations, directives, and orders, issued by properly designated officials of the School District. Any provisions of this Agreement found to be in violation of any such laws, rules, regulations, directives or orders shall be null and void and without force and effect.

ARTICLE V PRINCIPAL AND ASSOCIATION RIGHTS

Section 1. Right to Views: Pursuant to P.E.L.R.A., nothing contained in this Agreement shall be construed to limit, impair or affect the right of any principal or his/her representative to the expression or communication of a view, grievance, complaint or opinion on any matter related to administration of this contract and the conditions or compensation of public employment or their betterment, so long as the same is not designed to and does not interfere with the full, faithful, and proper performance of the duties of employment or circumvent the rights of the exclusive representative if there is one, nor shall it be construed to require any principal to perform labor or services against his/her will.

Section 2. Right to Join: Principals shall have the right to form and join labor or employee organizations and shall have the right not to form and join such organizations.

Section 3. Personnel Files: All evaluations and files generated within the School District relating to each individual principal shall be available during regular school business hours to each individual principal upon his/her written request to the extent practicable. The principal shall have the right to reproduce any of the contents of the files at the principal's expense and to submit for inclusion in the file written information in response to any material contained therein. However, the School District may destroy such files as provided by law.

Section 4. Other Rights: Nothing contained herein shall be construed to deny or restrict any principal or the School District any rights under P.E.L.R.A. or other applicable laws and regulations.

Section 5. Association Representative: Representatives of the Association and their respective affiliates shall be permitted to transact official Association business on school property at reasonable times, provided that this activity shall not interfere with or interrupt school operations.

Section 6. Information: The parties agree that the Association shall have access, upon reasonable notice to appropriate any available information necessary for the Association to exercise its responsibilities as exclusive representative.

ARTICLE VI DUTY DAYS AND VACATION

Section 1. Calendar: The School District shall establish the calendar and the principals' duty days for each school year, and the principals shall perform services on such days as determined by the School District, including those legal holidays on which the School District is authorized to conduct school, and pursuant to such authority has determined to conduct school.

The duty year for less than full-time principals shall be negotiated between the Association and the School District.

Section 4. The equivalent of one year's vacation (25 days or 200 hours) may be carried over into the next year's Agreement. Any accredited but unused vacation days beyond those limits shall be lost. A part-time principal shall earn vacation in a prorated amount proportional to his/her employment.

A principal shall be compensated (upon termination of employment) for accredited but unused vacation days, within the limits stated above, in the amount of his/her annual salary divided by the number of duty days, multiplied by each unused vacation day.

Section 5. Emergency Closings: In the event a duty day is lost for any emergency, the principal shall perform duties on such other day in lieu thereof as the School District or its designated representative shall determine.

It is further understood that the School District's only obligation is to purchase an insurance policy and pay such amounts as agreed to herein and no claim shall be made against the School District as a result of a denial of insurance benefits by an insurance carrier.

Section 5. Duration of Insurance Contribution: A principal is eligible for district contribution as provided in this Article as long as he/she is employed by Independent School District No. 110. Upon termination of employment, all district participation and contribution shall cease, effective on the last day of the final period.

ARTICLE IX LEAVES OF ABSENCE

Section 1. Federal Family and Medical Leave Act: All family and medical leaves are subject to the provisions of the Family and Medical Leave Act (P.L. 103.3, passed February 5, 1993). Provisions of this Act are applicable to all principals covered by this Agreement.

Section 2. Sick Leave:

Subd. 1. All full-time principals shall earn sick leave at the rate of one-hundred-forty-four (144) hours (18 days) each year of service to the School District. A part-time principal shall earn sick leave in an amount proportional to his/her employment. Annual sick leave shall accrue monthly as it is earned on a proportionate basis to the principal's work year.

Subd. 2. Unused sick leave may accumulate to nine-hundred-sixty (960) hours (120 days) of sick leave per principal.

Subd. 3. Sick leave pay shall be allowed by the School District whenever a principal's absence is found to have been due to illness which prevented his/her attendance at school and performance of duties on that day or days or as otherwise allowed under the provisions of this section.

Subd. 4. After five (5) consecutive days of sick leave, the School District may require that principal to furnish a medical certificate from a qualified physician as evidence of illness, indicating such absence was due to illness, in order to qualify for sick leave pay. In the event that a medical certificate will be required, the principal will be so advised at the time the illness is reported.

Subd. 5. Sick leave allowed shall be deducted from the accrued sick leave days earned by the principal.

Subd. 6. Sick leave may also be used for serious illness involving the principal's spouse, child, parent or guardian, sister, brother, mother or father-in-law, grandparents and grandchildren. The specific amount of leave allowed under this Section shall be within the discretion of the superintendent, who shall be guided in his/her determination by what is reasonable under the particular circumstances involved.

Subd. 7. Each principal will be notified at the beginning of each school year as to his/her accumulated number of sick leave days.

Subd. 8. When a principal is injured on the job in the service of the School District and collecting Worker's Compensation insurance as well as drawing on sick leave and receiving full salary from the School District, his/her salary shall be reduced by an amount equal to the insurance payments and only that fraction of the days not covered by insurance will be deducted from his/her accrued sick leave.

Subd. 9. A principal in the School District shall be permitted to utilize the annual accrual, in advance of accrual, if he/she has performed his/her duties for at least forty (40) working hours. In the event that such sick days are utilized herein prior to the earning thereof, such days will be deducted from future accumulations. In the event that a principal who has been permitted to utilize sick leave in advance of accrual under these provisions should leave the employ of the School District, he/she shall be liable to the

School District for any sick leave pay advanced beyond his/her earned accrual.

Section 3. Emergency Leave:

Subd. 1. A principal may be granted a leave with pay at the discretion of the superintendent for situations that arise requiring the principal's emergency attention, which cannot be attended to when school is not in session and are not covered under other policies.

Subd. 2. Court appearances and estate settlements are examples of situations where this leave may be granted in the discretion of the superintendent.

Subd. 3. Requests for emergency leave must be made to the superintendent. The request shall state the reason for the leave. The superintendent reserves the right to refuse to grant such leave if, under the circumstances involved, the superintendent determines that such leave should not be granted.

Subd. 4. All leave time granted under this Section with pay will be deducted from the principal's sick leave.

Section 4. Bereavement Leave:

Subd. 1. A principal may be granted bereavement leave because of a death in his/her immediate family, the specific amount of time to be subject to the discretion of the superintendent considering the circumstances surrounding the death.

Subd. 2. For purposes of this Section, the immediate family means the employee's spouse, child, parent or guardian, sister, brother, mother or father-in-law, grandparents and grandchildren.

Subd. 3. In the case of a death of a very close friend, bereavement leave may be granted to a principal at the discretion of the superintendent.

Subd. 4. All leave time granted under this Section with pay will be deducted from the principal's sick leave.

Section 5. Child Care Leave:

Subd. 1. A child care leave shall be granted by the School District subject to the provisions of this Section. Child care leave shall be granted because of the need to prepare and provide parental care for a child or children of the principal for an extended period of time.

Subd. 2. A principal making application for child care leave shall inform the superintendent in writing of the principal's intention to take the leave at least ninety (90) calendar days before commencement of the intended leave. A principal will also provide

at the time of the leave application, a statement from the attending physician indicating the expected date of delivery.

Subd. 3. If the reason for the child care leave is occasioned by adoption or pregnancy, a principal may elect to:

- (a) Request up to 6 calendar weeks of accumulated sick leave,
- (b) Request up to 12 months leave of absence without pay,
- (c) Request up to a combination of (a) and (b) not to exceed 12 months.

Subd. 4. The School District may adjust the proposed beginning or ending date of a child care leave so that the dates of the leave are coincident with some natural break in the school year - i.e., winter vacation, spring vacation, semester break or quarter break, end of a grading period, end of the school year, or the like.

Subd. 5. In making a determination concerning the commencement and duration of a child care leave, the School District shall not, in any event, be required to:

1. Grant any leave more than twelve (12) months in duration; or
2. Permit the principal to return to his or her employment prior to the date designated in the request for child care leave.

Subd. 6. A principal returning from child care leave shall be reemployed in any position for which he or she is licensed unless previously discharged or placed on unrequested leave.

Subd. 7. Failure of the principal to return pursuant to the date determined under this Section shall constitute grounds for termination unless the School District and the principal have mutually agreed to an extension in the leave.

Subd. 8. The parties agree that the applicable periods of probation for principals/teachers as set forth in Minnesota Statutes are intended to be periods of actual service enabling the School District to have opportunity to evaluate a principal's performance.

Subd. 9. A principal who returns from child care leave within the provisions of this Section shall retain all previous experience credit for pay purposes and any unused leave time accumulated under the provisions of this Agreement at the commencement of the beginning of the leave. The principal shall not accrue additional experience credit for pay purposes or leave time during the period of absence for child care leave.

Subd. 10. A principal on child care leave is eligible to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such programs as the principal wishes to retain, commencing with the beginning of the child care leave. The right to continue participation in such group insurance programs, however, will terminate if the principal does not return to the district pursuant to this Section. If a leave is granted pursuant to the FMLA, the School District

will continue to provide health insurance benefits as required by law.

Subd. 11. Leave under this Section shall be without pay or fringe benefits.

Section 6. Medical Leave:

Subd. 1. A continuing contract principal who is unable to perform his/her duties because of illness or injury, and has exhausted all sick leave credit available, or has become eligible for long-term disability compensation, shall, upon request, be granted a medical leave of absence, without pay, up to one year. The School District may, in its discretion, renew such a leave and request for renewal shall also be accompanied by a written doctor's statement.

Subd. 2. A request for leave of absence under this Section shall be accompanied by a written doctor's statement outlining the condition of health and estimated time at which the employee is expected to be able to assume his/her normal responsibilities.

Subd. 3. A principal who fails to comply with the provisions of this Section, or who fails to seek a medical leave as provided in this Section, shall be terminated by the School District. If a principal is not granted a medical leave of absence or a renewal of a medical leave of absence, in the discretion of the School District, such principal's employment will be terminated.

Section 7. Military Leave: Military leave shall be granted to a principal pursuant to applicable law.

Section 8. Insurance Application: A principal on leave under Sections 5 or 6 of this Article is eligible to continue to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such programs as he/she wishes to retain commencing with the beginning of the leave. It is the responsibility of the employee to make arrangements with the school business office to pay to the School District the monthly premium amounts in advance and on such date as determined by the School District. The right to continue participation in such group insurance programs, however, will discontinue upon termination of employment.

Section 9. Experience Credit: A principal on leave under Sections 5 or 6 of this Article shall retain such amounts of experience credit for accrued benefits, if any, which he/she had accrued at the time he/she went on leave for use upon his/her return. No additional experience credit for pay purposes or other benefits shall accrue for the period of time that a principal is on leave under this Section.

Section 10. Seniority: For purposes of seniority standing, a principal on leave, pursuant to this Article, shall continue to accrue seniority during such leaves of absence.

ARTICLE X
SENIORITY DATE AND UNREQUESTED LEAVE OF ABSENCE

Section 1. Seniority Date: Principals shall have their first duty day as a unit member in the Waconia Principals' Association as their seniority date. Service in other units within the School District shall not be counted for purposes of placement on unrequested leave of absence from a principal's unit position.

Section 2. Seniority Ties: The following criteria shall be used in order to break seniority ties in the placement of principals on unrequested leave of absence: 1) initial date of service in the School District as a licensed teacher or other licensed professional; 2) earliest/lowest Minnesota Department of Education File Folder number.

Section 3. Discontinuance of Position and Placement on Unrequested Leave of Absence: In the event that a principal must be placed on unrequested leave of absence based upon discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts, the School District will place the least senior principal within a category on unrequested leave of absence without compensation or benefits using the seniority dates established in accordance with section 1 of this Article. All unit members will be assigned a category. The categories are: high school principal, middle school principal, elementary principal, secondary assistant principal, and elementary assistant principal. Principals may assert a seniority right into a position that is not promotional. Nothing in this language allows a principal to receive a promotion during the unrequested leave process.

Section 4. Reinstatement: Principals will be recalled from an unrequested leave of absence to available positions for which they are licensed. Principals cannot assert a reinstatement right to a promotional position. The principal with the earliest seniority date will be reinstated first. No appointment of a new principal will be made while there is available, on unrequested leave, a principal who is properly licensed to fill such vacancy. Notification will be by certified mail to the principal's last known address and/or to the principal's email address. In the event a principal declines a principal position or fails to notify the School District in writing of the principal's intentions within fifteen (15) days of the date of notification, the principal will be removed from the recall list. A principal on unrequested leave of absence will provide the School District with appropriate contact information annually for purposes of notification in this section. The unrequested leave of absence of a principal who is not reinstated shall continue for a period of three (3) years from the date the principal's unrequested leave of absence began or until the principal fails to respond within fifteen (15) days of the date of notification or until the principal submits in writing a request to be removed from the recall list, whichever occurs first.

ARTICLE XI

This contribution will begin with the 2008-2009 Agreement and shall go forward with a principal's continued employment. This contribution will not be made retroactively for a principal's prior years of service.
